Splendid Rodeo Grounds Under Construction

Another bleacher section is shown here being lifted into place as the Drayton Valley Lions rush work on the West Valley Rodeo Grounds for the big Evergreen Rodeo on August 15 and 16. The 300 foot bleachers will seat 3,000 persons and provide an excellent view of all activities in the modern grounds. When completed, the grounds will be among the best in Western Canada.

GETZINGER SUPER MARKET CHANGES HANDS

Mr. John Getzinger has announced the sale of Getzinger Super Market to Mr. and Mrs. Peter Van Der Weide. The change in ownership becomes effective July 31st, but the new owner intends to continue operation under the present name.

Mr. and Mrs. Getzinger, who have operated the store for the past two years, expect to take a holiday in August before Mr. Getzinger resumes busing school children in September.

Y.E.S. Seeks Summer Jobs

Remember our office locations when you need help this summer. Stony Plain -- Parkland Regional Recreation Centre, Monday to Friday, 9:00 a.m. - 5:00 p.m. 777-2211, Jean Milner.

Entwistle -- Village Office, Tuesday, Wednesday and Thursday from 1:00 - 3:00 p.m., 727-3882, Jeanne Nobert.

Spruce Grove -- Belle and Howe Ltd. office, John Perejma (home telephone -- 489-9396).

Drayton Valley -- Recreation Office, 542-3327.

When you are haying, painting, gardening, cleaning your basement or attic, or going on vacation and need some help, call your Youth Employment Service.

Our aim is to have every homeowner, property owner, businessman and organization provide one job for one student for one day.

Building Permits Ahead of Last Year

Value of building permits in Drayton Valley reached a total of \$495,316 from January 1st to the end of June. During the same period last year the total was \$328,950.

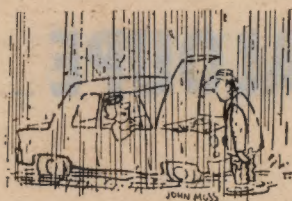

This year's total is indicative of more construction projects as no institutional or industrial construction is included. All of this year's total is made up of residential and commercial buildings.

June permits totalled \$178,650 compared to \$110,200 for the same month last year. Residential permits in June amounted to \$165,650 and commercial \$13,000.

Tennis Draw Winners Named

At noon Saturday, July 12th, names were drawn by Mr. Howard Jevne and two out-of-town residents were the lucky winners of the Drayton Valley Tennis Club raffle.

First prize winner drawn was Mary Bjorgum of Kingman and the second prize won by D. Crossbie of Edmonton

"Al, where's that old smile?"

Lions Need Help

Time is getting short and the Drayton Valley Lions Club would welcome some more volunteer help to get the rodeo grounds ready for the Evergreen event on August 15 and 16.

Almost any kind of help could be used. If you can spare an evening drop down to the grounds or phone Dan Gregor or any member of the club. Your help would be much appreciated.

SCHOOL PROPOSAL MEETING SUBJECT AT REGION POINTS

Meetings have been called at points throughout Edson School Division and Parkland County to air the subject of the July 24th plebiscite on the building of a \$1,350,000.00 high school in Evansburg by Edson-Stony Regional School District No. 2, formed recently for the purpose of the co-operative undertaking.

Trustees and officials of the school and municipal jurisdictions involved will be present at a series of meetings that got underway in Edson on July 14th and Wildwood on July 15th. Residents of Entwistle, Evansburg and Peers will have their opportunity to discuss the proposal at meetings in those communities on July 16th.

On July 17th meetings will be held in the Drayton Valley Elementary School Auditorium and the Winterburn School Auditorium. Both meetings will start at 8:00 p.m.

On July 21st the meeting scene is the Seba Beach School Auditorium and on the 22nd the Stony Plain High School Auditorium.

Voting on the plebiscite will be held between 3:00 and 8:00 p.m. on Thursday, July 24th. All propriety electors in the Edson School Division and the County of Parkland are entitled to vote -- not only those in the new Regional High School District.

Trustees of the Edson-Stony Regional School District are George Monsma, Peers, William Lemishka, Wildwood, George Mann, Fallis, and R.A. Bailey,

R.R. 5, Edmonton. The Secretary is A.W. Boychuk, Stony Plain and the Superintendents H. Toews, Stony Plain and B.A. Chandler, Edson.

Drayton Girl Contest Winner

Sandra MacMillan, a Grade 6 student at the Drayton Valley Junior High School, was the first prize winner in a recent essay contest conducted by the Edmonton Fish and Game Association.

Sandra won \$25.00 for her essay on "Forests" in a competition open to all Junior High School students in Alberta.

Chamber to Meet Thursday

Regular monthly meeting of Drayton Valley and District Chamber of Commerce will be held in the Cardium Room at 7:00 a.m. on Thursday, July 17th.

Cadets Off to Summer Camp

Members of the Drayton Valley Air Cadet Squadron, accompanied by C.O. Bill Johanneson, are shown here boarding a military bus Sunday for the trip to CFB Penhold for a two-week summer camp. They joined cadets from St. Albert and Winterburn on the bus for the trip to camp.

Recreation Ramblings

By SYD MOORE

The 4-H clubs in Parkland County have been very active in the past couple of months finishing off a very successful year, with their various achievement days.

On July 4th, the Drayton Valley Beef Achievement Day and Sale was held with clubs from Tomahawk, Lobstick, Drayton Valley and Moon Lake competing. Although it rained most of the day, it was a tremendous show with a lot of enthusiasm shown by all 4-H club members and leaders.

The Stony Plain show was held on July 7th in the Stony Plain Arena with clubs from Sundance, Lakemere, White Rose, Blueberry and Duffield competing. This was a really great show with tremendous showmanship shown by all clubs.

Congratulations are in order to all 4-H members who took part in these shows and also a big thanks to all club leaders and supporters who helped to make these shows successful.

Many other 4-H functions are taking place at this time also. The 1969 Rural Youth Seminar will be held July 13th to 18th at the Edmonton Exhibition.

From July 22nd to 25th, the

Provincial Finals for the Alberta Dairy Princess competition will be held at the Edmonton Exhibition.

The 4-H Provincial Competi-

tions will be held at the Olds Agricultural and Vocational College, August 4th to 8th. 4-H members from all over the province will compete for 7 different trips involving nearly 70 different club members.

These exchanges and trips are something really worth working towards and provide added incentive to all 4-H club members. Many other 4-H activities are

taking place right now with other programs slated for later in the summer. For further information on any of the 4-H activities contact your club leader, the District Youth Representative or your Regional 4-H Specialist.

If you want to get fat, don't eat fast; if you want to get thin, don't eat, fast.

CORRECTION

Missing from the caption to the photo in last week's paper of the League Champion Drayton Valley Little Canadians was Gary Swendseid. Gary was a regular member of the team that captured top honors in the Pembina Oilfield League and first prize in the Breton July 1st tournament.

LETTERS

TO THE EDITOR

Niton Junction, Alberta

The Editor
The Western Review
Drayton Valley, Alberta

Dear Sir:

We, at Niton are definitely for upgrading school facilities in the East End of the Edson School Division. The Edson School Division has allowed these facilities to deteriorate to such an extent that they are harming the education of the children in this area.

We noted, however, some discrepancies in the account given by the Grade Nine students from Evansburg in their letter which was recently published. They stated that their gymnasium was poorly lighted and heated. This gymnasium was built at the same time as the gymnasium at Wildwood and Niton. The taxpayer is still paying for this since it was built in 1958 a mere 12 years ago. There must be something drastically wrong with the maintenance department of the Edson School Division if you can't get more than 12 years out of a building.

We are also surprised to learn that there is an interest shown again in a Home Economics and Industrial Arts rooms because five years ago there was no interest at all so all the equipment that was in these rooms were given to the school in Edson.

Once again it seems hard to understand that the maintenance department of the Edson School Division would allow the roof to leak, poor ventilation systems to remain and mice to run around in the school. Even in the days of the one-room school they were maintained better than that. Could it be that the Edson School Division has deliberately created this situation in the East End?

Now to the problem of overcrowdedness at the Evansburg Jr. and Sr. High School. It is noted that there are Ten classrooms

and Ten teachers at the school which gives one classroom per teacher. The enrolment is less now than it was five years ago because the Entwistle children are no longer attending the Evansburg school. Therefore, the overcrowdedness could be exaggerated.

Is a brand new school the answer to our problems in the East End? Or would it not be better to upgrade the existing facilities at Niton and Evansburg and save the children long bus rides and taxpayers the cost of these bus riders?

A Niton Ratepayer
Terence T. Day

Fallis, Alberta

The Editor
The Western Review
Drayton Valley, Alberta

Dear Sir:

IN REPLY:
A THIRD POINT OF VIEW ON
EAST END SCHOOL PROBLEM

I might open by saying my presentation comes about by being elected as a County Councillor to the County of Parkland on January 1, 1969.

Sitting as the School Trustee for Division 5, the area that will contribute some students from the Seba Beach area to the Edson Stony Regional High School. I was elected along with Mr. R. A. Bailey from Division 1 to represent Parkland on the Edson-Stony Regional Board; Edson School Division have two members on this Board also. I might add that what the old Edson-Stony Regional Board brought into existence by way of assets I cannot find any quarrel with.

After this brief introduction, I would like to say I think we need to build an institution of this calibre to help supply the impetus to recover the Missing Dimension in Education, this fatal drift into Materialism. I will go along with the Niton view that size is not synonymous with quality, but size is a need that the Evansburg Protest requires, size is a need if we are to provide all the students with a proper education, expanding and extending the curriculum, and build in that Missing Dimension.

In making my appeal to vote YES on the 24th of July to the people concerned, I say this in defence -- for every effect there has to be a cause. We have been teaching children how to earn a living, but forgot to teach them how to live. And the schools we need to do this job are not the ones we have at Seba, Niton, Evansburg, or Wildwood. We need better qualified teachers better programing, teachers who can after school hours program adult education classes. We need a curriculum enriched in the liberal arts as well as the sciences.

In the Niton view! Taxpayers money was spent on the project before it was approved. Taxpayers, why don't you ask the Government why they don't get your consent when they spend your money you pay into the Foundation Program to build schools in other areas? Premier Robarts of Ontario attending the Premier's Conference in Ottawa in the spring of 1969, said of Medicare.

Medicare was the biggest hoax perpetrated on the people of Canada. Yet before July 1st, 1969 Ontario joined Medicare, asked why the change after what he said -- it is the law and is compulsory, if you want your money back you have to join -- Premier Strom said the same; although basically they opposed it.

Taxpayers, we are caught in the clutch of an established system. This is the way Governments finances, so if you can't beat them, then you are compelled to join them. I perceive no hope of implementing any real improvement unless within a fundamentally different educational framework.

The Foundation Program will

provide most of the money to build this school. Why not after paying into it get something out of it? Tell me why should this be sacrificed? And when you say we should upgrade the two schools by hiring travelling shop and home economics teachers, you must have thrown this in for a laugh, you must be kidding; the teachers living in hotels in this permissive society and what a price we will have to pay for compassionate leave?

I am in sympathy with you when you talk about busing. A bus driver, myself, for seventeen years, I don't agree that it is the cause of drop-outs. But this is the way the system dictates how you get your children to school. Many of you don't like this way of getting children to school, tell the Provincial Government, until the County Boards and Boards below this level get more autonomy this is the way we are forced to do things.

Keep in mind at all times, our country's future depends on the quality of our educational system. In the last few years we have learned the painful lesson that no County stands so far above the rest of the world it has no need to keep an eye on its relative world position. Successful people must periodically reappraise their way of life and make certain it does not in one or another way fall out of step with changing circumstances.

Apathy in our habits of thought and action, if undiscovered and unregenerated, will produce pockets of underachievement infecting the body, rendering society less dynamic, and slowing progress.

We must maintain that our theories of education are concerned primarily with the transmission of knowledge -- the respectability of personal suggestion added to curricular content will be accepted, if it shows good intention.

In closing, we need a radical improvement in the methods currently used to prepare young people to meet the challenges of their assorted worlds in which, as human beings they are predestined to live.

Mr. George Mann,
Fallis, Alberta

Drayton Valley, Alta.
July 10, 1969.

The Western Review,
Drayton Valley, Alta.
Dear Editor:

This letter is directed to the farmers of the surrounding area and the residents of Drayton Valley.

How concerned are you about your children's education? Everyone realizes the importance of a good school, of a sound education and an insight to the farming and business world.

I have been wondering (as I hope every other concerned parent has) if the proposed Edson-Stony High School is approved what will happen to the much needed Composite High School suggested for Drayton Valley?

You may say, "Nothing, the site is being looked into, we will get it." - But how do you know?

Many of the bused students living north of Drayton Valley could be transferred to the Edson-Stony School. This could cause a decrease in the enrolment of Drayton Valley Schools and possibly mean "an end" to the new Drayton Valley High School for a long, long time. Schools will not be built if there are not enough children to fill them.

On Thursday, July 24th we will have the right to vote our opinion -- make sure your voice is heard.

Yours Sincerely,
A Concerned Parent

EDITORIAL COMMENT

Give Some Thought To New School

It appears that the school plebiscite on July 24th is creating a measure of interest. Evidence is apparent on this page.

The co-operative building of a school worth over a million dollars to serve Edson School Division and Parkland County and built in Evansburg -- is worthy of your attention as a proprietary elector. Drayton Valley electors, as well as those in Edson, Winterburn and every other section of the two jurisdictions will decide the issue.

The majority of electors should decide the fate of the new school, but, unfortunately, unless voters show more interest than usual, the issue will be left virtually in the hands of those who have the largest stake and have long since taken sides.

We should all make it our business to attend meetings on the subject and be satisfied with answers to questions about the new school, and the effects it may have on the general education picture throughout the western end of Parkland County.

We should be satisfied that alternatives to the combined effort have been thoroughly researched before being abandoned.

Drayton Valley residents must surely want to know what effect the draining of potential students from the north will have on plans for a proposed new high school here.

The place to have these questions answered is the public meeting in the Drayton Valley Elementary School on Thursday, July 17th at 8:00 p.m. Attend the meeting -- learn the facts -- and be sure to vote July 24th.

EVANSBURG NEWS

This past week we have been having showers of a different kind. A miscellaneous shower for the future Mrs. Mike Myschuk was held on July 2nd at the Legion Hall. About 35 ladies attended this shower for a new resident of our district. Mr. and Mrs. Myschuk were married on July 11th in Wildwood. While the ladies were honoring Mrs. Myschuk, Mr. Myschuk was being honored by the men having a stag party to celebrate.

Also held at the Legion Hall was a bridal shower for the future Mrs. Graf, (Miss Maureen Fausak who is well known in this district. Many ladies attended this shower in her honor.

The 1st Pembina Valley Group Committee held a final meeting for the season on Friday, July 4 at the home of Mr. and Mrs. Aspeslet. Several matters were discussed, one of which was the transfer of the old Scout Hall to the Historical Society to begin a museum. A bottle drive was planned to take place a bit later in the summer and the Scouts are to be taken out on a camping trip. Consideration was also given to the request of two boys who wish to form a Venturer Company.

A trail ride that had been planned by the gymkhana club to take place on the weekend of the 5th and 6th had to be called off on account of rain. Let us hope that the next time a trail ride is planned, the weather permits it.

A farewell party was put on by the community to honor Mr. and Mrs. Grassi as they are leaving the Village to settle in the new community of Grand Cache. A fair crowd attended this event which was in the form of a social evening with dancing and visiting among those present. Mr. Carl Bjornstad was master of ceremonies for the evening and Mr. John Lauer, deputy-mayor, spoke to the group on behalf of the village. Mr. John Panek

spoke on behalf of the Kinsmen, a group to which Mr. Grassi has belonged for several years. All spoke on the fine work Mr. and Mrs. Grassi had done for the community and especially on Mr. Grassi's unstinting efforts in spearheading the drive for the Centennial arena which was begun two years ago. On behalf of the community, Mr. Croft presented them with a silver tea service and Mrs. E. Shuster presented them with a bouquet of flowers. Mr. Aspeslet, Vice-Chairman of the Group Committee presented Mr. Grassi with a gift on behalf of the Cubs and Scouts and Group Committee with which Mr. Grassi had worked for several years.

The Styal Local FUA held a meeting at the home of Mr. and Mrs. M. Mazeppa on July 8th. This meeting was held primarily to get enough members together in order to enroll the group in the Blue Cross Plan for medicine and hospitalization.

My husband and I and son Kelly were among the few who managed to go to the Edmonton 4-H Regional Barbeque to welcome the inter-provincial exchange 4-H members to the province. Everyone from here who attended reported having a good time.

Plenty of visitors over the weekend made the time fly. Visiting at our home were our friends Bill and Myrtle with their son John and daughter Diane from Gismombe, B. C. Also from B. C., near Vernon, Mr. and Mrs. Mailhiot and their daughter Linda visited with us. Mr. Mailhiot is my uncle and the visit was doubly welcomed as I had not seen him in 28 years.

A Village land mark and the source of much fun for many small children has disappeared from the village. This was an ordinary black poplar tree, and was the only voluntarily growing tree near the downtown area. As far as Mrs. Christianson can

remember, the tree began growing in 1934 and reached a considerable size when the wind blew it down. During the years the tree stood in the Christianson backyard, many a small boy made it his objective to climb as high in it as he could. However, no one could recall that anyone ever collected any injuries from falling out of it.

Haying has begun in the area now, so I imagine the farmers will be looking forward to dryer weather than what we have been having.

Rural Mail Delivery To be Discussed Saturday

Area residents are reminded of the meeting to be held Saturday, July 19th in the Millbank Hall to discuss the possibilities of rural mail delivery in the region surrounding Tomahawk - Moon Lake.

All areas that might be effected between Entwistle and Drayton Valley and east to Horen and Tomahawk are asked to have representatives present to discuss the proposal.

The meeting, sponsored by the Millbank F.U.A., will start at 8:30 p.m.

PROVINCE OF ALBERTA THE TOWN OF DRAYTON VALLEY

PROCLAMATION

Whereas the Mayor and the Council of The Town of Drayton Valley in the Province of Alberta, deem it to be in the best interests of the said Town of Drayton Valley to Proclaim a Civic Holiday.

Now, therefore, by virtue of The Provisions of Section 237 Subsection 2 of the Municipal Government Act of Alberta and Amendments thereto, the Mayor and Council of The Town of Drayton Valley do hereby proclaim:

1. THAT MONDAY THE FOURTH DAY OF AUGUST 1969 BE A CIVIC HOLIDAY IN THE TOWN OF DRAYTON VALLEY.
2. THAT ALL PERSONS, CORPORATIONS AND FIRMS IN THE TOWN OF DRAYTON GOVERN THEMSELVES ACCORDINGLY.

Done and passed in regular council session this 26th day of June 1969.

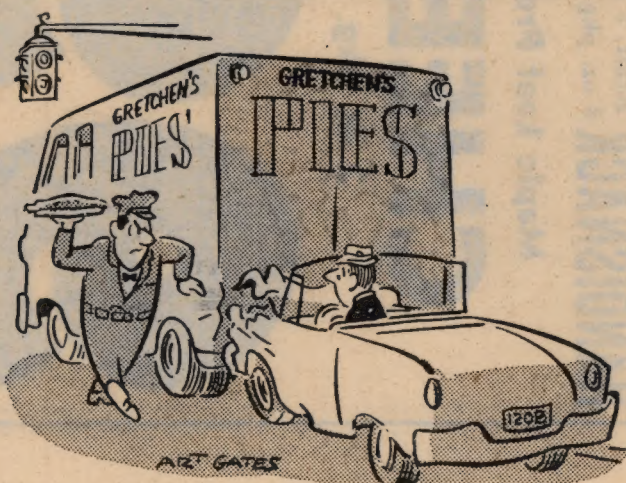

THE TOWN OF DRAYTON VALLEY

"H. SHIMBASHI, D.S.", Mayor

"W. G. JOHANNESON", Secretary Treasurer

Certified a true copy of Resolution No. 12 of the minutes of Council of The Town of Drayton Valley dated 26th June, 1969 as the same appear in the records of the said town.

W. G. JOHANNESON, Secretary Treasurer

Summary Regular Meeting Of Recreation Board

Minutes of the regular meeting of the Parkland Regional Recreation Council, held on June 16, Stony Plain. The meeting was called to order at 7:45 p.m.

Members present were: Chairman Mr. Les Miller, Councillors Bailey, Vowk, Mann, Hennig, Howery, Gylander, Akins and Ivan.

Mr. Moore opened the meeting by introducing the new staff to Council, after which the Chairman welcomed the staff and wished them success with their new positions.

YOUTH REP.

The District Youth Rep, Mr. Darwin Park introduced his position as Youth Rep. to the Council and congratulated the Board members for the interest and enthusiasm shown in his department since he started to work in Stony Plain.

He informed Council that he is interested in meeting each of them individually, and to discuss how best his position can be used by the County. He also spoke of a Human Relations Seminar he had attended and how other Youth Reps throughout the province reported that their areas are watching the Parkland Recreation Administration with much interest.

A report on the executive Planning Seminar was presented by Mr. Moore, with an invitation to the Councillors to forward any comments or suggestions on the report at the next scheduled Recreation Council meeting. He suggested that all staff and councillors submit similar reports on conferences attended, so that the whole Administration would benefit by them.

SUMMER VILLAGES CONTRIBUTION

A discussion evolved around the possibility of a contribution toward the Regional Recreation Summer Program by all the Summer Villages within the Regional Boundaries.

It was moved that a letter be sent to all summer villages within the regional boundaries, requesting that each summer village make a contribution toward The Recreation Summer Program.

BOARD MEMBERSHIP

It was moved that the Recreation Council adopt new membership as follows: Four members from the County of Parkland No. 31, and one each from the other participating municipalities, and that a letter stating this be sent to the participating municipalities for ratification. If they are not heard from before the next meeting, July 21, the Recreation Council will consider the change ratified.

It was agreed upon by Council that elections will be held over till the next meeting.

Mr. Moore informed Council

of changes in the budget, to facilitate the unexpected additional costs in the swim program, and also informed them that the total expenditure in 1969 will be within the one mill of contribution by co-operating authorities.

DUFFIELD INDIAN RESERVE MEETINGS

Mr. Armstrong reported on a series of meetings held with the Paul Band Reserve, between the Band Council and the Recreation Council, concerning their interest in entering into the Recreation Agreement. They felt that recreation offers the best opportunity for integration of the Indian culture with the white culture. The Indian Councillors indicated no problem in providing financial assistance to share costs when coming into the Agreement. The problem that faces the proposal is the method of assessing the Indian contribution. Two avenues are open, being:

1. Per Capita Assessment.
2. Property value Assessment on an equalized basis. The property assessment method is favored because this method is being used in all other cases. The problem then is to establish property values. A committee was established to gather information on the method, and to make recommendations to the Council relative to their findings.

The Recreation Council agreed that representation should be in the form of one Indian member of the Council from each Reserve entering the agreement.

EDSON WORKSHOP

Mr. Moore requested permission to attend a Workshop at Edson concerning the formation of a Regional recreation administration in the Peers area.

It was moved that Syd Moore be authorized to attend the Seminar.

BURTONSVILLE NEWS

Rev. J. D. Kennedy and David Tattersall left on Thursday to attend the Free Methodist Camp meeting at Alix, Alberta.

Dean and Tony Terribain of Edmonton spent a week's holiday with their Grandmother Mary Tattersall.

Eleanor Osbak visited her cousin Sandra Homme before returning to her home at St. Francis.

Vera Draves has gone home after visiting her sisters in this area. Rita returned to the city with her and will help her for a few days.

Mrs. Doris MacDougall visited the doctor in Drayton on Tuesday for a check-up.

Gordon and Marie Raymond visited Axel and Emma Homme Tuesday evening.

The lovely rains of the past week seem to have just pushed the crops out of the ground. And it didn't forget the weeds. The potatoes however that missed the late June frost have buds on them and are nearly ready to bloom. With this lovely warm sun every thing should come quickly now.

St. Anthony's Students Review Year

St. Anthony's have had a very enjoyable and worthwhile year of activities, which they take pride in reviewing.

To start the year off elections were held September 13. Following this was a frosh day, held for the grade sevens initiating them into Junior High. On a beautiful night, October 18, a hayride and dance was enjoyed by all. To raise money a carwash was held along with CHOC-NUT night, in which money for gym equipment was acquired. Giving the girls a break a Sadie Hawkins dance was held where all invited their special boy. With the festive season arriving a Christmas dance was held which brought in the Christmas spirit. After the Christmas holidays a Hippie

Day was held with enthusiasm where all participated.

A queen was obtained for the school through a Valentines dance. In March a toboggan party was held on a Sunday afternoon followed later that week by a Clash Day. Sister Chouinard visited our school and gave a talk on her work among the lepers of Africa. Following this the Students Union took pleasure in donating a \$100. cheque to Sister Chouinard for this worthwhile cause. Frequent Sock Hops were held throughout the year. A Prom was held jointly with the Drayton Valley Junior High. To wind up this year of fun filled activities, a hayride, weiner roast, and a swimming party

were enjoyed tremendously by all.

A group of students from grades 7-9 attended a film about the Australian wildlife at the Jubilee Auditorium in Edmonton.

The grade nine science class made a visit to Buck Creek Oil Refraction Plant. Everyone agreed this was very interesting and informative.

Over the Easter Holidays the grade nines made a two day trip into Edmonton where they visited the Stelco Steel Mill, G.W.G. Plant, Art Museum, and the International Airport. They also went to the show Bullit and were on the Noon Show. Free time was allotted them. All enjoyed this memorable trip.

On April 12 the grade seven class visited the University of Alberta, Rock Department, and the Museum of Archives. The grades 7-9 students visited the Pulp and Paper Mill in Hinton and went for a swim in Miette Hot Springs. They enjoyed the scenery of the surrounding area very much. They had a weiner roast in a camping site near Hinton. Everyone enjoyed this end of the year field trip very much.

Throughout the year St. Anthony's has had various types of sports. Both a basketball and volleyball tournament were hosted in which both the boys and girls teams finished favourably. Games at home and out

of town were numerous. Inter-school competition was included by house leagues where grades 4-9 participated. The Red Cross Safety Swimming program and tennis lessons were enjoyed by grades 7-9. A tri-school track-meet was held with the school finishing third and including trophies won by Donald Steirer and Keith Jamieson.

Although not particularly outstanding in any sport the students of St. Anthony's had an enjoyable and fun filled year of sports.

We would like to thank the staff of St. Anthony's school, especially Mr. McDonald, for making this year one of the best ever.

There is one thing more exasperating than a wife who can cook and won't and that is the wife who can't cook and will.

To Accept Rocky Mill Applications

The Honourable Dr. J. Donovan Ross, Alberta Minister of Lands and Forests, announces that the Government is now accepting applications to develop a pulp mill-forest products complex in the Rocky Mountain House area. The availability of the area was previously advertised in conjunction with the Grande Prairie area almost two years ago.

At that time two applications were received for the Grande Prairie area and the Proctor & Gamble Co. was selected to conduct detailed feasibility studies.

Timber in the Rocky Mountain House area is one of the few remaining extensive softwood areas in Canada that is readily accessible and capable of providing adequate high quality wood for a pulp mill-forest products complex.

ENTWISTLE NEWS

Ray and Ruby McRae and girls have moved to Prince George where Mr. McRae is working.

Mr. and Mrs. Wayne Bullock and daughter of Fort McMurray were in Entwistle recently for a short time visiting Mr. and Mrs. George Bullock.

Mr. and Mrs. Bill Clements of Edmonton were in Entwistle recently visiting friends here and at Moon Lake. They attended the Elks barbeque on Saturday, July 5th.

Lorne and Lorraine Skare have another daughter, a baby sister for an older daughter and son.

Mr. and Mrs. John Oliver and Harold motored to Red Deer on Sunday, July 6th to visit their son Neal. While there they also saw their niece Faye Haggith who is in training at the Red Deer General Hospital.

Howard and Gail Witty and

boys of Calgary are spending a few days in Entwistle at the Nelson home. They were here in time to celebrate Norine Nelson's birthday. Norine was 8 years old on July 8th. Happy birthday Norine.

Stella and Hilmer Hofmann and some of the younger children spent a few days in Bonnyville while on holidays.

The Entwistle ladies ball team played on July 4th against Seba Beach and lost. On July 8th they played Tomahawk at Entwistle and won. They have one more game to play. At present they are in first position. Keep up the good work ladies.

Mr. and Mrs. Cliff Stevens and family are moving to Ponoka at the end of July.

Mr. and Mrs. Reynolds Dunbar of Toronto, Ontario were recent visitors in the Forest Bancroft home. They are going up north and will visit Mr. and Mrs. Bill Bancroft at Whitehorse.

The Recreational Swimming Pool is almost completed and the swimming lessons will take place. It is a wonderful thing for our small village and we hope young and old will make use of it when the lessons are done for the day.

The playgrounds are being used with instructors doing their work and quite a number of youngsters are taking in all the worth while things that are planned for the summer. Robert Brown and Irene Saretsky are in charge of the playground activities.

The Youth Employment Service is open in the Village of Entwistle offices on Tuesday, Wednesday and Thursday from 1 - 3 p.m. with Jeanne Nobert in charge. Anyone in the vicinity and surrounding districts needing help in any line contact Y.E.S. at 727-3652.

Mr. and Mrs. Larkee of B.C. are here at the Emie Smith home. They are the parents of Mrs. Smith.

Mr. Bill Relling is home for a while before returning to Inuvik, where he is working.

4-H members are shown here with their calves in the show ring at Sekura Auctions preparing for the final events in the 4-H Beef Achievement Day held July 4th.

Four Clubs Enjoy Successful Combined Achievement Day

Despite a constant morning rain, events went off smoothly and the 4-H Achievement Day held July 4th was again very successful.

Members from four 4-H beef clubs took part in the show and sale held at Sekura Auctions in Drayton Valley. Clubs represented were Tomahawk, Lobstick, Drayton Valley and Moon Lake.

Club competitions were followed by the inter-club events and the sale at 2:00 p.m. Lunch was served at noon by the Drayton Valley Chamber of Commerce, sponsors of the annual achievement day.

Top prize of the day went to Marilyn Rasmussen of the Drayton Valley Club, whose Charolais calf won the Grand Championship and the Big Country Ma-

chinery Trophy. This was a second big year for Marilyn who also won the Grand Championship last year.

Reserve Grand Championship and the Bay Trophy was won by Bartle Guyon, also a member of the Drayton Valley Club.

In club competitions Zane Bruner won the club championship and Fred Hutchinson the reserve in the Lobstick Club; Bob Enjeski was the Tomahawk Club Champion and Jim Scheide-man, Reserve; Moon Lake winner was Ken Woloszyn and Reserve, Rod Sinclair.

Ralph Johnson of the Moon Lake Club won the Showmanship award and the U.F.A. Co-op Trophy. Best calf by a first year member was won by Ken Woloszyn of Moon Lake who re-

ceived the Sekura Auctions Trophy.

The I.G.A. Trophy for a group of four calves was won by Joan Scheide-man, Jim Scheide-man, Bob Enjeski, and Rodney Jouan of the Tomahawk Club.

The pen-of-three event and the Imperial Oil Trophy was also won by a Tomahawk club member, Linda Piskunowicz.

The events of the day were opened by District Agriculturist E.C. Lowe of Stony Plain. Judges were Ken Eshpeter, of the Department of Youth and Doug Henderson of Lacombe.

FALLIS NEWS

Rod Hurst has returned to Fallis and is employed by Calgary Power at Wabamun. He is the son of Mrs. Hazel Hurst of Drumheller.

Mrs. Barbara Dzenkiw (nee Hurst) and children of Edmonton spent a weekend holidaying at Fallis.

Get-well wishes from his friends are sent to Mr. William Barker who has been in the Stony Plain Hospital for several weeks.

Mr. and Mrs. E. Miller of the Fallis Corner have returned from a motor trip to various points in B.C. which included Kamloops and Salmon Arm.

Mr. William Buchanan spent a few days in Edmonton for a health check-up.

District homeowners who are interested in assisting students with summer employment may call Miss Jean Milner of the Youth Employment Service at Stony Plain. The number is 777-2211 for students who wish to obtain work and for homeowners who have casual labor jobs to offer. Miss Milner informed us that lawn cutting, window washing jobs, etc., were usually what was expected. In Entwistle area, the number to call is 727-3652.

Deepest sympathy is sent to the Winters and Heath families on the recent passing of Mrs. Ada Heath in an Edmonton hospital. Mrs. Heath would have been 94 years old on August 1st. Funeral services were held at the Rex-boro Church on Saturday, July 5th.

Relatives who arrived to attend the funeral of Mrs. Heath included Mr. and Mrs. Leo Heath of Holt, Michigan; Mrs. Frieda Pugh, Madison, Maine; Mrs. Edna Blackledge of Harrison, Michigan; Mrs. Robert Ward of Clare, Michigan; Mrs. Leo Derosha, Granville, Michigan; Mrs. Thelma Wichtowski, Mason, Michi-

gan; Mr. and Mrs. Frank Winters, Edson; Mr. and Mrs. Stan Gel-mici, Edson; Mr. and Mrs. J. Vowk and family of Easyford and Mr. and Mrs. Vem Funnel of Wetaskiwin. Also other relatives at the home of Mr. and Mrs. Bruce Winters were Mrs. Pete Hutchinson, Mr. M. Vowk, Mrs. Mary Leahy and family of War-burg, Mrs. M. Hintz of Rosthem, Saskatchewan and Mr. and Mrs. E.F. (Shorty) Schultz of Edmon-ton.

Mrs. Frieda Pugh of Madison, Maine spent several weeks visit-ing her sister, Mrs. Frank Win- ters and family.

APPLYING HERBICIDES AFTER HAIL INJURY

Wait until the crop shows signs of recovery before spraying after a hail storm, advises W. Lobay, head of the weed control branch of the Alberta Plant Industry Division.

2-4-D, MCPA and other sel-ective herbicides can cause in-jury to cereal crops if applied shortly after a hail storm. Hail causes mechanical damage which places the grain under stress. This makes the crop much more sensitive to a herbicide applica-tion.

BERRYMOOR NEWS

Mr. and Mrs. Pearson of Calgary were out for a few days visiting with their daughter and her family, Mr. and Mrs. Lester Cropley. Myrta accompanied her grandparents back to Calgary where she will visit with relatives and also take in some of the Stampede events.

Mr. and Mrs. Edward Van Ember and family were in Ponoka on July 1st, while there they visited with the Reggan family who used to live in the Lindale district.

Mr. and Mrs. Bob Roberts have returned from their holiday in B.C. Eddie Malainey spent part of

his holidays in the Berrymoor district visiting relatives and looking up friends from his school days. When he returned to B.C. Dale Thatcher accompanied him.

Fred Martin is working for Wendy Sekura of Drayton Valley. George Van Ember has been in the Drayton Valley hospital. We hope that he will be home again soon.

Mr. and Mrs. Charlie Brown of Fort Saskatchewan and Mr. and Mrs. Benny Brown of Cherry Valley, California visited at the home of Mr. and Mrs. George Martin one day last week. The two Mr. Browns are cousins of

Mr. Martins and he hasn't seen Benny since 1922. It was a very memorable day for all concerned and many happy memories were vividly brought back.

Mr. and Mrs. Alex Petrephen of Eldorado, Saskatchewan spent a short time at the home of Mr. and Mrs. Albert Pischke.

Sekura Auctions Price Summary

The Regular Sale held on Wednesday, July 9th showed lighter offerings with prices stronger. Feeder steers traded from \$30 to \$37 per cwt. with steer calves selling from \$40 to \$45 per cwt. Weekly Livestock Report

The Edmonton weekly livestock report for the week ending July 12, 1969 provided by the Livestock Division, Canada Department of Agriculture

RECEIPTS CATTLE&CALVES CATTLE CALVES HOGS SHEEP

This week (est.)	5525	4850	675	1900	175
Last week	3975	3395	580	1609	46
Same week 1968	8130	6668	1462	2661	374

SUMMARY:

Trade active and firm throughout. Offerings about evenly divided between slaughter and replacement classes. All grades of slaughter steers, heifers and cows 50 higher for the week. Veal higher, replacement classes firm to higher.

SLAUGHTER CATTLE

Slaughter steers of mostly choice and good quality opened the week on a firm basis with all grades selling 25 to 50 higher. Choice handyweights were meeting a good local and B.C. demand and sold at a practical top of 32.50 with sales to 32.70 throughout the week. Butcher heifers were also in increased supply selling a full 50 higher by mid week with several choice handyweight packages topping 30.40. Good and Lower grades sold strong within a narrow price range. Butcher cows continued in fair supply during the week with all grades increasing 50 as the week advanced. Good dry fed cows ranged from 23 to 24 with a few sales to 24.50. Good grass cows were mostly 22-23. Bulls generally steady for the week with the odd sale over 26. Veal calves scarce to 50 higher with sales to 47.5 Butcher calves 1.00 to 2.00 higher.

REPLACEMENT CLASSES

Replacement offerings were considerably lower this past week on account of rain and improved pasture conditions. Offerings were again mostly heavier weights of two-way cattle. Prices on feeders of 750 lbs. and up were generally steady to firm while the lighter weights were in good demand 1-2.00 higher. Stock calves were generally scarce with lighter steer calves selling to 47.50 with a few sales over 50¢ lb.

SHIPMENTS

Last week shipments off Edmonton yards - East 250 for slaughter and 110 for feeding. West 250 for slaughter. To Southern Alberta 450 for feeding.

(Closing Quotations)

SLAUGHTER CATTLE

Choice steers 32 to 32.5, good 31.5 to 32, medium 29 to 30.5 Choice heifers 29.75 to 30.25, good 29 to 29.5, medium 28 to 29 Good cows 23-24, medium 21 to 22.5 Cannons and Cutters 18.5 to 20.5 Steels 15 to 17.5 Good bulls 24.5 to 26.

REPLACEMENT CATTLE AND CALVES

A SHOVEL FULL OF TROUBLE!

Hold it right there! One more sweep with that shovel and you could cut clean through an AGT telephone cable! It's easier than you think. You dig post holes or a trench in your back yard, and before you know it the damage is done, you've severed a buried cable . . . severed vital communications to businesses; to hospitals, police and other emergency services.

Right now, before you take one more sweep with the shovel, dial "0" (Zero) and ask for Zenith 07128. An AGT Technician will mark off the exact location of any buried cables and save you and others a great deal of trouble, expense, even involvement in law suits!

Remember, in town or country — a call in time can save the line. AGT's Free Cable Location Service — Dial '0' and ask for Zenith 07128. Toll free of course.

WISE!

Necessity of the Regional High School

1) LACK OF ADEQUATE PROGRAMS

High School services in the eastern part of the Edson School Division (Niton, Wildwood, and Evansburg) and in the western part of the County of Parkland (Seba Beach) have not been up to the standard provided in other parts of the areas concerned, namely in Hinton, Edson, and Stony Plain. The sparsity of population has prevented the offering of extensive business education, industrial arts, and home economics courses. Consequently, these high schools have catered largely to the student with academic ability and to some extent has neglected the majority of students who are not academically-talented.

2) LACK OF STUDENTS IN EACH JURISDICTION

However, in order to offer a variety of programs; matriculation, business education, and vocational preparation programs, and still stay within reason economically a student population of at least 300 is necessary. Each school jurisdiction does not have this many students in the areas concerned. Present enrolment projections; however, indicate that the combined pupil enrolments from the two areas will be 336 in 1969, 414 in 1970, 459 in 1971, and 459 in 1972. There is every reason, then, to believe that sufficient students will be available in the attendance area so that our high school students will receive a more comprehensive program in the proposed high school.

3) INADEQUACIES OF PRESENT BUILDINGS

Furthermore, the present school buildings are very inadequate. The high school at Evansburg is extremely over crowded. Classes must meet on the stage and in the hallway. There are inadequate library and science facilities, no industrial arts and home economics facilities, and much of the building is not serviceable. At Seba Beach in the County of Parkland the industrial arts, home economics and science facilities are too small and inadequate for present day programs. The library is crowded and there are no auxiliary spaces for drama, art or music. In addition, if the high school students were in a new building, there would be room for the grades three to six pupils. At present, these pupils are in a very old and totally inadequate building known as the "lower school". This school must be replaced in the very near future. Each school jurisdiction can replace the existing buildings by themselves, but there would still be insufficient students to provide a variety of high school programs to meet the needs and interests of all students.

Formation of the Regional High School District

The Edson-Stony Regional High School District was formed to provide high school services for the eastern end of the Edson School Division and the western portion of the County of Parkland (formerly the Stony Plain School Division). Both of these areas are sparsely populated and co-operation was necessary to obtain a sufficient number of students to offer a high school program that would meet the needs of more than the academically-talented student. For the purposes of establishing a regional high school district the Edson School Division and the Stony Plain School Division signed agreements in January, 1968.

ATTENDANCE AREA

The attendance area of the regional high school district includes "All those lands presently situated within the boundaries of the Edson School Division east of a line drawn north and south along the west boundary of Range Twelve (12) and all those lands presently situated within the boundaries of the Stony Plain School Division west of a line drawn north and south through the centre of Range Three (3) and north of a line drawn east and west between Township Fifty (50) and Fifty-one (51)."

REGIONAL BOARD

The Regional Board is an appointed body consisting of:

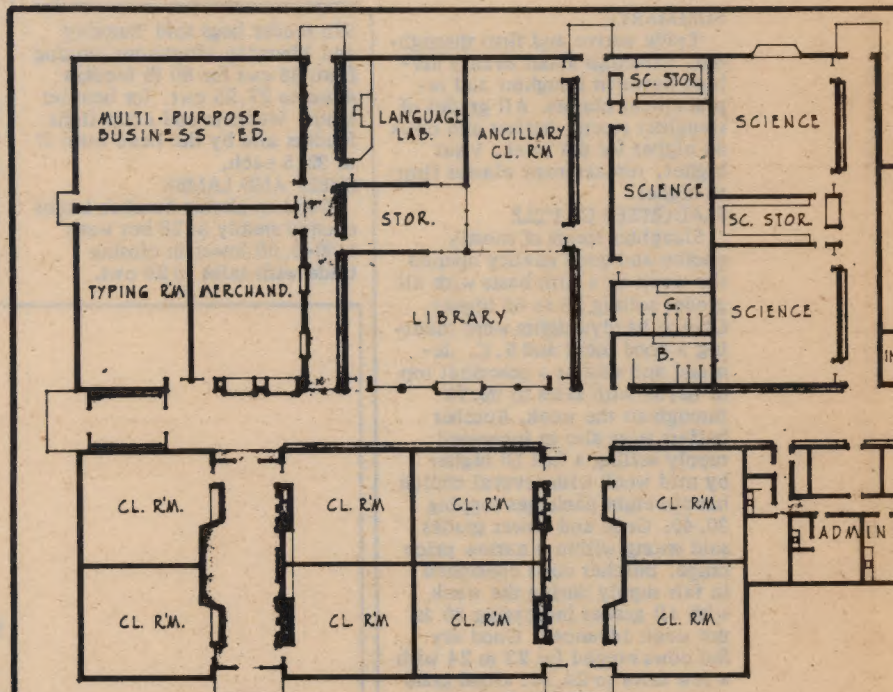

- two trustees appointed by the Edson School Division
- two trustees appointed by the County of Parkland

Location of the High School

Since the Regional High School Board did not wish to become involved in local politics in selecting a site for the school, an independent committee appointed by the Minister decided upon the location at Evansburg. While several factors were considered by the committee in deciding upon a site, the primary consideration was locating the school in the population centre of the attendance area. This is to be preferred over the geographic centre since it means that a few rather than a large number of students have to travel long distances on buses

PROPOSED EDSON-STONY

THE PLEBISCITE ON BYLAW 2 - 1969 FOR THE SCHOOL AT EVANSBURG WILL BE HELD ON JULY 24, 1969. THE PURPOSE OF THIS ARTICLE IS TO PROVIDE PROPOSALS FOR THE PROPOSED HIGH SCHOOL.

PROPOSED

EDSON - STONY REGIONAL HIGH SCHOOL
EVANSBURG, ALBERTA

FACILITIES OF THE PROPOSED

In order to provide the facilities necessary to offer adequate programs in academic, business, and preparation for vocational education, the School Buildings Board has given recognition of need of the following:

- 8 general classrooms
- 3 science experience classrooms
- 2 science preparation rooms with storage facilities
- 3 ancillary rooms
- 1 language laboratory
- 1 library
- 1 - 2 station Home Economics room
- 1 - 2 station Industrial Arts room
- 1 Gymnasium area with storage room, stage, physical education office,

PROGRAMS

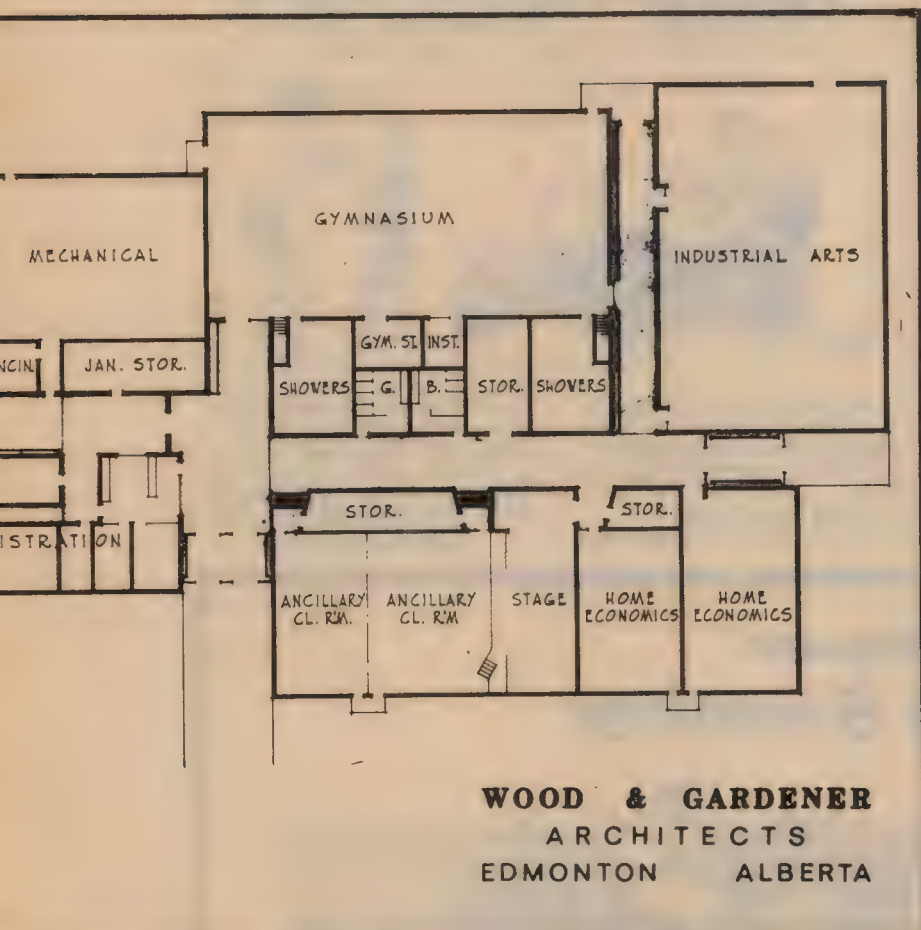

For too many years now we have been giving lip service to saying that the door was open for all students who were able and wise. Such a program meets the needs of only 25 to 30% of our students for those who are able to pursue a university program, but at the expense of the full potential of those students whose educational goals do not require a university. If we are to lower our drop-out rate in high school, we must be capable of arousing and holding their interest and participation in the academic and industrial world.

LOCAL MEETINGS

WATCH FOR NOTICES OF
AND

REGIONAL HIGH SCHOOL

CONSTRUCTION OF THE EDSON-STONY REGIONAL HIGH SCHOOL WILL BE HELD ON MONDAY, JANUARY 19, 1969 BETWEEN THE HOURS OF 3:00 and 8:00 P.M. PROPRIETORY ELECTORS WITH MORE INFORMATION REGARDING

EDSON-STONY REGIONAL HIGH SCHOOL

- shower and dressing rooms
- (j) Administrative centre with Principal's office, Vice Principal's office, Counselling room, Secretarial, General Administration office and Conference room
- (k) 1 Merchandising room
- (l) 1 Typing room
- (m) 1 Multi-purpose room
- (n) 1 Infirmary
- (o) Staff room, staff work room and staff lavatories
- (p) Plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within limitations set forth in the Regulations under the School Buildings Act.

TO BE OFFERED

Our philosophy "education for all". This has been interpreted as meaning we should not attempt to narrow academic program leading to university entrance for high school students. Our schools should continue to offer this program at the same time, we require other programs which are capable of development for students who do not include university graduation. This includes about 75% of our students. These programs must provide these students with programs and experiences which are necessary for entry into the business world.

(continued at top right corner of page)

LOCAL MEETINGS AT WHICH FURTHER INFORMATION AND EXPLANATIONS WILL BE GIVEN

MORE SPECIFICALLY, THE EDSON-STONY REGIONAL HIGH SCHOOL WILL OFFER THE FOLLOWING PROGRAMS:

- 1) Three or four year diploma program with a business education major. Students taking this program will be prepared for employment following graduation. Courses will include typing, shorthand, book-keeping, business fundamentals, merchandising, office practice, business machines, et cetera.
- 2) Two, three, or four year vocational preparational programs designed to enable students to enter NAIT and SAIT. This program will include exploratory industrial arts courses which will include photography, ceramics, plastics, drafting, welding, machine work, electrical, woodworking and in the home economics area fabrics and dress, foods and nutrition as well as technical courses in mathematics and science.
- 3) Three or four year matriculation programs designed to prepare students for university entrance.
- 4) Three or four year general diploma program.

FINANCING

1) CAPITAL EXPENDITURES

A number of misconceptions appear to exist regarding the financing of school construction in the province of Alberta. Construction costs up to \$17.00 per square foot are paid by the Foundation Program - the money coming from the general revenue of the province. Thus, if a school is built within the School Buildings Board Regulations, there will be NO direct cost to the taxpayers of Edson School Division and Parkland County. It can be seen; therefore, that schools built under the Foundation Program in other parts of Alberta cost us as much as one built in our jurisdictions; since all of the money comes from general provincial revenue.

The Regional High School Board has instructed their architect to make every effort to design a building which can be financed totally from the Foundation Program. Therefore, it is proposed that the total cost of \$1,350,000.00 will be paid for by the Foundation Program.

2) OPERATING EXPENDITURES

Prior to the opening of the regional high school, the operational costs will be shared on the basis of enrolment projections for the two school jurisdictions. Since the Edson School Division will have approximately two-thirds (2/3) of the students, they will pay two-thirds (2/3) of the operational costs while the County of Parkland will pay one-third (1/3) since they will have one-third (1/3) of the students.

Predicted enrolments for the two school jurisdictions are as follows:

	1968	1969	1970	1971	1972
Edson School Division	187	233	277	305	291
County of Parkland	94	103	137	154	168

When the school begins operating, costs will be shared on the basis of the actual number of students attending from each jurisdiction.

VOTING

The Board of the Edson-Stony Regional High School District, the School Committees of the County of Parkland, and the Edson School Division Board urge all proprietary electors in both school jurisdictions to get out to vote. Please note that the vote is not restricted to the proprietary electors of the Regional High School District but includes all of the proprietary electors throughout the Edson School Division and the County of Parkland.

This school will provide much needed programs to better meet the needs and interests of all students in the eastern portion of the Edson School Division and western portion of the County of Parkland. Therefore, we ask you to support the building of this school with your vote on July 24th.

For Further Information

Should individuals or groups require additional information about the school, its organization and educational programs, please feel free to contact any of these people --

Secretary:	A. W. Boychuk, Stony Plain, Alberta	777-2231
Superintendent:	Henry Toews, Stony Plain, Alberta	777-2231
	B. A. Chandler, Edson, Alberta	723-4471

School Committee Regular Meeting

Minutes of a meeting of the School Committee of the County of Parkland No. 31 held in the County Office on Wednesday, July 2nd.

Present were Messrs. George Mann, R. Zander, L.N. Miller, Peter Bakker, R. Lent, Ivan Vowk, Don Gylander, and T.W. Johnson, School Committee members, also Superintendent of Schools Mr. Henry Toews and Assistant Superintendent W.G. Wilson and Assistant Secretary Treasurer A.W. Boychuk.

BUILDING SITES STONY PLAIN AND DRAYTON VALLEY

The Building Committee gave a progress report on the availa-

bility of land for school buildings in Stony Plain. Further information is forthcoming and will be reported at the next meeting.

In Drayton Valley land is available from Mrs. Edith Deby immediately south of the Elementary School.

Moved and carried that Mr. Ivan Vowk and Mr. T.W. Johnson be authorized to negotiate for the possible purchase of land in Drayton Valley and report to the next meeting.

TOMAHAWK CARETAKING

The following applications for the caretaking of the Tomahawk School were received: Mr. Everett Pryor and wife; Mr. Ed Riedlinger and wife; Mr. Arthur H. Welk and wife; Mr. Herman Welk and wife; and Mrs. Doris Brydges and husband. This matter was tabled pending investigation by Mr. R. Zander.

Moved and carried that the School Committee approve the use of school facilities at Spruce Grove, Seba Beach, Wabamun and Keephills for the summer recreation program and that the School Committee member concerned together with the Recreation Superintendent meet with the principal or vice-principal and caretaker in order to set up conditions for use.

Moved and carried that 100 copies of the Jubilee Book be purchased.

Moved and carried that the matter of Text Rental collection be referred to Messrs. H. Toews, W.G. Wilson, and A.W. Boychuk for a policy recommendation.

Mrs. E.W. Ferrier, secretary at the Seba Beach School came to see the School Committee regarding additional duties at the Seba Beach school during the summer holidays.

Moved and carried that Mrs. Edith Ferrier be paid for one day per week during the month of July at \$1.75 per hour on a temporary basis because of the absence of a Principal and Vice-Principal and that the arrange-

ment for August be left in abeyance until the arrival of the new principal.

Mrs. Baron, Mrs. Goerz and Mrs. Kulak came to see the School Committee regarding the operation of the Modified Grade seven class in Stony Plain. Mr. Henry Toews explained to them that an effort is being made to continue this program into a Modified Grade eight for the coming year.

Mr. S. Hodgson, Architect, came to see the School Committee and brought with him 2 written copies of a proposed agreement for the school at Spruce Grove.

Moved and carried that the agreement with the architects be signed.

TOMAHAWK CARETAKING

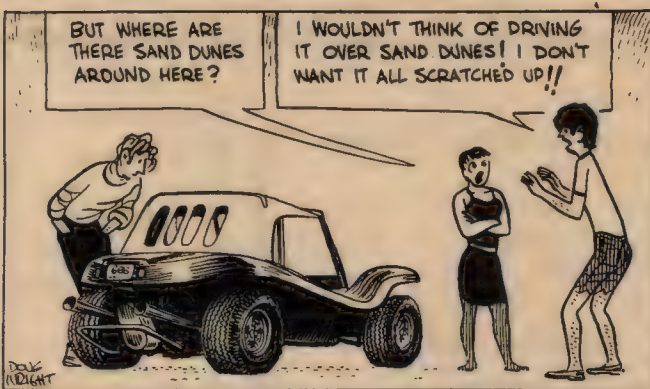

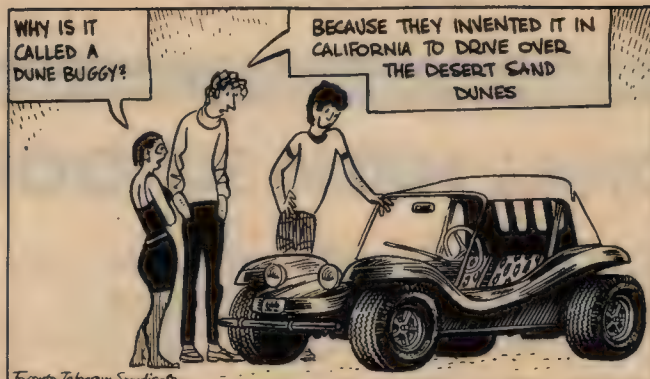

Moved and carried that Arthur H. Welk of Tomahawk be appointed as caretaker of the Tomahawk School and his wife Lenora be appointed as Assistant Caretaker with duties to commence immediately.

Moved and carried that the matter of George Martin's school bus overload be referred to the School Bus Committee for consideration.

DRIVER EDUCATION

Mr. Henry Toews advised that, since the time his report was prepared, Mr. Jasper Moore has accepted the Principalship of Lodgepole and no qualified instructor is available at the present time. Mr. Toews recommended that this matter be tabled for another year.

THE WHEELS

Miss Muriel McVicar has advised that she will not be available to offer a music program at Duffield, Wabamun and Keephills.

LIBRARY ASSISTANCE

Mr. H. Toews further advised

that he has received requests for more library assistance at the Junior and Senior High Schools at Drayton Valley. Up until now these two schools each had only a half time librarian. The Sup-

Continued on Page 15

GUIDE NEWS

Joanne Chenery left Drayton Valley on Sunday, July 6th for Montreal, London, Switzerland and France. We would like to thank the good people of Drayton Valley who raised the money to make this trip possible. We would like to see more Girl Guides from here visit National and International Camps in the future years.

The summer camp of the Sunset Pine District of Girl Guides was held at Tangletrees from July 6th to July 13th.

Under the watchful eye of Mrs. Dykes of Wetaskiwin, over one hundred Girl Guides and their Guiders spent the week tenting, cooking, chopping wood, carrying water, doing handicrafts, laughing singing and visiting.

The twenty-one guides of the Sunset Pine District were under the supervision of Mrs. K. Heyduk and Mrs. Joe Pie of Alder Flats; Mrs. H. Hammerlindl and Lynne Hurley of Drayton Valley. Guides in this group were:

Drayton Valley -- Louise Stec, Clair Telford, Dorothy Robinson, Margaret MacGregor, Laurie Albert.

Buck Creek -- Dennis Mussell, Kathy Regenwetter, Sherry Stec.

Buck Lake -- Debbie Bouck, Debbie Ingles.

Alder Flats -- Trudy Knight, Cindy Woytovich, Susan Shanks, Barbara Howatt, Karen Larsen, Teresa Pie.

Camping with us were from: Viking -- Jeneen McIntyre, Theresa Kelly.

Killam -- Melodie and Judy Clark, Brenda Niehaus.

The guides would like to say thank you to Mrs. Robinson, Mrs. Stec, Mrs. Hammerlindl and to Mr. Telford who drove us to and from camp.

Massey-Ferguson MF 36 Swather

We challenge you to find another 16-foot swather that gives you as much for your money.

Check this MF 36 Swather against other swathers and you'll find Massey-Ferguson gives you decided advantages. First, you get a big 53-hp liquid cooled engine including anti-freeze—a feature that the "bargain" swathers don't offer. With this more dependable power, you get easy starting, longer engine life and quiet vibration-free operation. Heavier, stronger construction is obvious throughout the machine.

We challenge any machine to lay down a neater row of grain or hay at a faster clip than you'll get with this nimble Massey-Ferguson MF 36. We don't think you can find a better swather for the money—and there are liberal trades—terms too, if you wish.

HEALTH & SAFETY

Mainly for Mothers

by Carol Hart

Heeding Better Than Speeding for Label Reading

Have you joined America's popular new educational trend... speed reading?

Whether or not you decide to increase your ability to read fast, keep in mind there are times when reading accurately is more important than reading speedily.

One such time is when you read the label on a medicine container, says the Council on Family Health. Taking or giving medicine is so important to the health and safety of you and your family that you should understand the directions you are reading, and then double check yourself.

If you want to measure how well you understand what you read, test yourself by reading a medicine label in your home, says the Council, a non-profit organization sponsored as a public service by leading members of the drug industry.

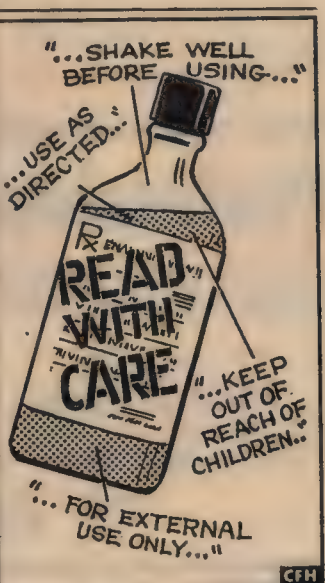

Did you note the amount of medicine to be taken? Does the dosage vary for adults and children? How often should the medicine be taken?

If a liquid, should you shake the container well before pouring? Is it for external or internal use?

Does the label state the purpose of the medicine?

Are there instructions for proper storage... such as "Keep in a cool place." Should you take the medicine before or after eating?

Are there cautions as to certain activities that should be curtailed or discontinued while

taking the medicine?

Not all medicine labels contain all of the information listed above, but all information on each label is important.

Heeding rather than speeding is the watchword when reading directions for the use of medicine, says the Council on Family Health.

School Committee Regular Meeting

Continued from Page 14

independent recommended that each school be allowed a full time librarian.

Moved and carried that Mr. William Barth, Mr. Peter Bakker and Mr. W.G. Wilson be authorized to study the implementation of a music program.

Moved and carried that a copy of the new school bus contract be sent to each school bus owner with a note to study it and submit recommendations for any changes.

Moved and carried that the School Committee endorse the summer swimming program and that the bus operators be authorized to transport pupils as directed.

FINAL PLANS SPRUCE GROVE

A letter was received from the Buildings Branch of the Department of Education advising that a gross area of 33,088 square feet has been approved for the Spruce Grove School. The following areas have been established as excess: -- Gymnasium -- 1717 square feet, Gym storage -- 461 square feet, Cloak room -- 440 square feet, Kitchen -- 240 square feet, Circulation -- 366 square feet, and Washrooms -- 454 square feet, making a subtotal of 3678 square feet. Walls and partitions -- 7.5% account for 275 square feet. Total -- 3953 square feet.

E.W. Hillyer advised that quotations have been received from Stony Plain Electric and Briske Electric on lighting installation in the gymnasium and 3 classrooms of the existing Spruce Grove School. The quotation of Stony Plain Electric is lower by approximately \$173.00.

Moved and carried that the quotation of Stony Plain Electric in the amount of \$2,461.00 for the electrical installation in the existing Spruce Grove School be accepted.

Moved and carried that E.W. Hillyer inspect the Boden teacherage in Entwistle and recommend action and repairs to be undertaken.

CERAMIC TILE SEBA BEACH HIGH SCHOOL

Moved and carried that the quotation of Marvel Tile & Ceramics Ltd. in the amount of \$2,313.00 for ceramic and mosaic tile work in two washrooms, two staff washrooms and two foyers of the Seba Beach High School building be accepted.

Moved and carried that 2 portable classrooms be purchased from Safeway Mobile Home Sales Ltd. for \$16,930 and \$2,950 for delivery and setting up.

Moved and carried that Walter Minchau be engaged as Mechanical and Electrical Handyman at the rate of \$2.65 per hour with duties to commence on July 2nd.

PLAYGROUND EQUIPMENT KEEPHILLS SCHOOL

Moved and carried that the Keephills Community be authorized to instal playground equipment on the Keephills playground subject to the approval of the Maintenance Supervisor.

TEACHER PLACEMENT AT ENTWISTLE

A request was made by Mr. Don Gylander that teacher placement in Entwistle be reconsidered and be referred to the Superintendent and the School Committee for reconsideration.

Moon Lake

A welcoming party for Mr. and Mrs. John Jacobs and family was held in the Moon Lake Hall on Saturday, July 12th. An electric deep-fryer was presented to them by Norman Johnson on behalf of everyone present. They thanked everyone for coming and for the gift, then lunch was served by the ladies present.

Mr. and Mrs. Leo Jensen and Mr. and Mrs. Bill Cherrington motored to Jasper over the week-

end. They said they had a very nice trip.

Miss Linda Bush is spending her holidays with her uncle, Ray Chambers in the States and will return back home in September.

A housewarming was held for Floyd Chambers last weekend. Approximately 20 people were present and presented Floyd with a lamp. A delicious lunch was served to conclude a nice evening.

Mr. and Mrs. George Moroz spent two days of last week attending the Alberta Livestock

Convention in Edmonton.

Recent visitors at the home of Mr. and Mrs. Nick Urkevich were Mr. and Mrs. Peter Shumborski and boys (nee Jean Erskine) of Vancouver.

Shirley and Pebbles Urkevich are spending two weeks with Mr. and Mrs. Steve Stasiuk of Edmonton.

Sherry and Karen Lang are spending several weeks with their aunt and uncle in Calgary. Mr. and Mrs. Les Cherrington. They attended the Calgary Stampede while there.

KNOW ANY YOUNG PEOPLE
WHO EXCELL IN THESE QUALITIES?
NOMINATE THEM FOR AN
ALBERTA JUNIOR CITIZEN AWARD, NOW!

Any deserving young person or group of young people between the ages of six and sixteen displaying an unusual sense of courage, leadership or responsibility can be nominated for a Junior Citizen of the Year Award. Think about the young people in your area for a moment—is there some girl or boy you know who has exhibited physical heroism, scholastic success or courage under difficult circumstances; or who has shown

unusual responsibility to his or her family during a time of crisis or illness? Do you know a group of young citizens who have made outstanding contributions or been of special service to their communities? Of course you do. So do something about it. Let them know you care by nominating them for an Alberta Junior Citizen Award. These young people deserve your recognition and support. Complete the coupon below, now

The Alberta Junior Citizen of the Year awards are sponsored annually by your local newspaper and Alberta's investor-owned public utility companies. NOMINATIONS CLOSE JULY 31.

WARBURG NEWS

Mr. and Mrs. Don Elmore of Fort McMurray and son Dale were visiting at the homes of Mr. and Mrs. G. Elmore and Mr. and Mrs. Joe Herregodts.

Mr. and Mrs. Philip Hartman of Edmonton were out to see their daughter Sherril Lynn who has been staying at the home of Joe Herregodts while Mrs. Hartman is ill.

Mrs. Martin Olkers, who is in Edmonton Hospital will be coming to stay with her daughter Mrs. N. McAllister Tuesday of this week.

Mrs. Donna O'Reilly of Alliance Alberta is visiting her father, Mr. C. McAllister and other relatives.

Mrs. V. Olson and Mr. and Mrs. Joe Martin and family of Edmonton report they had a wonderful holiday in Honolulu. They spent two weeks there, returning Sunday night.

Mr. and Mrs. John Gidosh and family were on a holiday at the west coast. They stopped at Calgary to enjoy the Stampede.

Mr. Ben Deck of Edmonton spent the week end at the home of Mr. and Mrs. J. Rybie and Mr. and Mrs. B. Sarvas.

Mr. and Mrs. Ed Yerman and family motored to the Okanagan Valley, B. C. via the Yellowhead route. They arrived home last week end.

Virginia Leahy and Janet Rybie are working voluntarily at the Good Samaritan Auxiliary Hospital in Edmonton for the next two weeks.

Mr. Ben Grohn attended a four day Western Canada Lutheran Synod Convention at Saskatoon, Saskatchewan.

The Warburg Sports Day was rained out on Saturday. It will be held on July 19, weather permitting.

Mr. and Mrs. L. Hyland visited at Whitecourt last week-end.

Mr. and Mrs. J. Goldthorpe and Mr. and Mrs. O. Johnson returned home from B. C. last Thursday.

Mr. and Mrs. R. Schmidt and Gene have gone to Penticton B.C. and other points of interest.

Mary Leahy and family drove to Fallis, Alberta to attend the funeral of Mrs. Ada Heath, Saturday. Mrs. Heath was the grandmother of Mrs. Leahy's son-in-law, Mr. Bruce Winters.

Mr. and Mrs. J. Huiget and family from Victoria B. C. were visiting in the Warburg district the past week. Don Schmidt went along with them back to the coast.

Congratulations to Mr. and Mrs. Alfred Mozan (nee) Marian Klatt on their marriage. They will make their home in Stump Lake Saskatchewan.

Vacation School is being held this week at the Trinity Lutheran Church. Over twenty children attending.

Sympathy is extended to Mr. and Mrs. Bill Webber and family

WORKING IN THE DARK

It can be frustrating and dangerous to say the least, and persons may well be working in the dark without even being aware of it. Our fire loss records indicate that there is still great need for enlightenment in fire safety matters.

Workmen are violently surprised by fire which develops unexpectedly on the job; housewives are shocked by the little hidden forgotten things that they didn't find out about in time; or, not knowing the nature of fabrics until they suddenly flare up from just a spark.

Firefighters too often are also working in the dark. They can never be sure what conditions they will find when responding to fire in a building.

None of us can afford to work in the dark where fire is concerned. An informed and fire prevention conscious public is the best hope for an improved fire loss record for Alberta.

in the loss of their son and brother.

Mrs. C. Ruzicka has left for home at Viking Alberta after visiting at the home of Mr. and Mrs. Jack Rose.

Michael Rose left last Wednesday for Fredericton, New Brunswick to attend a six week seminar. He would like to thank the Warburg Ladies Club, Warburg Senior Citizens and Warburg Women's Institute for the financial support extended to him.

Parkcourt News

Mr. and Mrs. Larmarie of Winnipeg have been visitors at the John Brunet home.

Mr. and Mrs. Kurt Fausak and family spent several days holidaying in B.C. with their former neighbors, the Davies.

Mrs. Blanchard is now in the Stony Plain hospital and we hope she will soon be able to come home again.

Mr. and Mrs. George Young and Donald spent a few days vacationing at the coast.

The regular meeting of the

Gay Gatherers was held at the home of Margaret Young on Wednesday. After old business, a discussion of the coming shower took place.

On Sunday night a group of friends surprised Mr. and Mrs. Otto Weist on the occasion of their 10th wedding anniversary. A 'paper' gift in the form of money was presented to them with many good wishes.

Mr. and Mrs. Art Strain of Foremost were visitors at the Kurt Fausak home.

Little Audrey Paulduro spent a few days in the Drayton Valley hospital.

SUMMER SALADS:

July is salad month and if your appetite is anything like mine, you could eat salads all summer long.

The word "salad" is derived from the Latin word "sal" meaning salt. Back in the days of Caesar, the Romans sprinkled "sal" over greens to bring out the flavor.

Salads "fit for a king" became favorites with the monarchs of Europe and often as many as 35 ingredients were combined in a single bowl!

Tossed greens, jellied molds or fruit cups - whatever way you and your family enjoy salads, remember the three C's of salad making - Coolness, Crispness and Color.

For new ideas that will pep up weary menus contact our office for 'Salads' and 'Salad Dressings.'

BARBECUE COOKING!

Each year between May and September more Canadian families than ever are enjoying meals barbecued in their own backyards.

Today's budding chefs, armed with charcoal, oven mitts and tongs, are meeting with surprising success as they follow in the footsteps of their ancestors. With mother handling the preliminaries and the children helping with toting, father has again assumed the important tasks of fixing the fire and seeing that foods are done to a turn. Meal preparation has become a family affair, as it must have been in earlier days.

If you are an old hand at barbecuing, you already know that it is best to keep the menu simple and to plan it so that everyone can start eating at the same time. Practically any of the meats you broil or fry in the kitchen can be grill-barbecued successfully and tender roasts and poultry make elegant eating when barbecued on a spit. For kabobs and individual foilwrapped dinners, be sure to select foods that cook in the same length of time.

The publication "Barbecue Cooking" is available from this office upon request. Contact us now for your Free copy.

"Joker", one of the featured animals in Lawrence Sharkey's string of bucking stock, is shown here unloading a rider in spectacular fashion. The cowboy headed for a rough landing is Jerry Sinclair of Marwayne who will be riding in the Drayton Valley rodeo on August 15 and 16. Joker is also scheduled to show his talent for getting rid of good riders at the big Evergreen show.

D. V. Highlights

BY MRS. EDITH DEBY

Miss Carol Rempel and Miss Alison Waugh are among the Drayton Valley students who will be freshmen at university this fall. Carol is taking science and majoring in Physics, Alison is taking science too, but her major will be Chemistry.

Mr. and Mrs. Alfred Madsen will leave by air on July 26th for Mr. Madsen's native Denmark for a three week vacation. Mr. Madsen had returned to Denmark about seven years ago, but it is Mrs. Madsen's first trip.

Best wishes for a happy future go to Mr. and Mrs. Gerry Huska. Mrs. Huska is the former Miss Marjorie Blair.

Ron and Ethel Smith, now living in Edmonton, were over night visitors at the Bohdan Urchysyn home on the weekend. The Smiths were on their way for a holiday and Kamloops and took

time to call on former neighbors here.

Mrs. Fanny Davies has just returned from a very pleasant holiday in Verdun, Manitoba and Regina, Saskatchewan.

A wedding of interest was solemnized in Casso, Nova Scotia on June 28th when Miss Glenda Armsworthy became the bride of Mr. Charles Wilson, son of Mr. and Mrs. Fred Wilson of Violet Grove. Charles is with the Canadian Navy and is stationed in Halifax.

A frozen pourable applesauce with a fresh, home-cooked flavor has been developed by John Kitson of the Canada Department of Agriculture Summerland (B.C.) Research Station. The sauce will thaw in 10 - 15 minutes and is unsweetened so that it can be tailored to taste.

LODGEPOLE NEWS

Mr. and Mrs. Henry Elliot have had guests from several points. Mrs. Elliot's parents Mr. and Mrs. R. Hyatt came from Dewberry. Teen and Sandra Millions of Edmonton and the Vernon Keast's from Victoria, B.C. spent a few days with them. Miss Brenda Elliot spent the weekend at home. She is working at a trailer factory in Wetaskiwin. Assistant Ranger Mike Dubina flew to Fort McMurray and Lake Athabasca to assist in fire fighting.

Ken and Coleen Bills and son Keith have returned from holidays spent at Bowden, Grand Prairie and Fox Creek visiting friends.

Mr. and Mrs. R. Nelson and sons have returned from holidays spent near the ocean at Lincoln City in Oregon and at Lethbridge.

The Moisey family spent the weekend at Jasper. A ride up Whistler's mountain by cable car caught them at the top in a snow storm and high winds for an hour.

Mr. and Mrs. Carl Lindberg and children and their cat are holidaying at Jasper and St. Paul.

Mr. and Mrs. L. Kay spent the weekend in the city attending a wedding and visiting the family.

Province of Alberta Treasury Branches

STAFF APPOINTMENT

Mr. C. G. Davey, Superintendent of the Province of Alberta Treasury Branches, announces the appointment of Mr. Lorne C. Sorensen as Manager of the Breton Treasury Branch. Lorne Sorensen, who is married, was formerly attached to the Three Hills Treasury Branch and has eleven and a half years experience in the financial field.

Good Crowd for Weekend Rodeo

A good crowd was on hand for the Gilbert Rodeo at Magnolia Corner last Saturday and Sunday.

Results were as follows:

WILD HORSE RACE -- 1st Lee Davies, Niton (trophy); 2nd George Gower, Edmonton; 3rd Vic Smith, Fort Saskatchewan.

SADDLE BRONC -- 1st and 2nd tied, Rick Goad of Edmonton and Ray Crowsier of Edson. Third was split between Ken Whitton of Irma and Ross Taylor of Buck Lake.

BAREBACK -- 1st Glen Thompson, Edmonton (trophy); 2nd Frank Blair, Niton; 3rd Jim Pitcher, Edson.

COW RIDING -- 1st John Olsen, Edmonton (trophy); 2nd Mel Smigor, Edmonton; Third prize was split between Glen Thompson of Edmonton and Ross Taylor of Buck Lake.

ROPING -- 1st Jim Tatterstal, Ardrossan (trophy); 2nd Glen Thompson, Edmonton; 3rd Al Bennet, Ardrossan.

STEER DECORATING -- 1st Don Melvin, Edmonton (trophy); 2nd Bob Warden, Winterburn; 3rd Jasper Stephensen, Calgary.

COW MILKING -- 1st Doug Johnson, Edmonton (trophy); 2nd Jack Gilbert, Gainford; 3rd Percy Gee, Edmonton.

JR. STEER RIDING -- 1st Lennie Laws, Viking; 2nd and 3rd prize was split between Keith Gower of Edmonton and Dwayne Cannon of Edmonton.

LADIES BARREL RACE -- 1st Noreen Cox, Edmonton (trophy); 2nd Kathy Kallilher, Edmonton; 3rd was split between Sandra MacNamee of Gainford and Darcy Berkowsky of Ardrossan.

LADIES STEER UNDECORATING -- 1st Darcy Berkowsky, Ardrossan (trophy); 2nd Ella Gower, Edmonton; 3rd Sandra MacNamee, Gainford.

ALL-ROUND TROPHY -- Glen Thompson.

Clown -- Percy Gee, Edmonton.

FORESTS

By Sandra MacMillan

Reprinted here is the prize-winning essay written by Sandra MacMillan of Drayton Valley. Sandra's essay won her a \$25.00 prize in the Edmonton Fish and Game Association Contest.

Many forests have been destroyed because of forest fires. Too many people are so careless. We can help prevent these fires or at least we can just try to prevent these forest fires. Of course many people try but not hard enough. Just last year there was over one hundred and fifty-two forest fires. One of these fires was around Lodgepole and also around Cynthia. This fire destroyed many acres of land and forests. It also lasted almost all summer. This was a fairly large fire. How can such people be so careless? These people must be captured and punished, but what type of punishment can we reward them for doing such a dreadful thing. They must only believe in thinking of themselves, they mustn't think of anyone else. Just think of all the work the Forest Rangers have to do, just to help put out the fires and replant trees so that they can have beautiful trees again some other day.

Open Letter To Men of Drayton Valley

Gentlemen:

By this time you are all aware of the work that has been done and is being done by the Lions Club in the West Valley Park. They are building a new rodeo grounds on the south side of the park area.

It is my understanding that upon completion and reimbursements of monies spent in developing this worthwhile addition to the entertainment facilities of the Drayton Valley Area these grounds will be turned over to the town of Drayton Valley.

As you are aware of the necessity of having the grounds completed, as well as the seating area, I would ask that all men who are able and have some time to donate to improving the recreation area of Drayton Valley please do so.

Don't sit back and say "I'm waiting to be called" as there is lots to be done and someone always there at the grounds in the evenings who knows what is required. These gentlemen will be more than pleased with the helping hand extended.

So let's all get out and help the Lions complete this most worthy undertaking. Remember there is just one month left in which to have everything in readiness for the big Evergreen Rodeo.

Yours truly,
Earl W. Kelly
Co-ordinating Chairman
Rodeo Committee

Sandra MacMillan

Maybe these ones will not be destroyed by such people. Why must our continent have such careless people living on or in it?

I think most of these forest fires are caused from matches, cigars, cigarettes and most of all Careless People. Our biggest problem, I think, are these careless people. How can we punish them for such terrible damage? We can't punish them because all we can do is to warn them not to do it again. In my opinion, I would like to think, there should be some type of punishment for these careless people who do not obey such signs as: "Please Help Prevent Forest Fires", "Do Not Use Open Fires Here", "When Leaving A Fire, Always Pour, At Least One Pail Of Water On The Ashes To Make Sure Fires Are Out". How can we help to prevent these people from not obeying these signs? These signs are not put up just to make something look prettier, they are up for a reason. This reason is a very good one, but how can we make some of these people realize this? As a matter of fact, we can't make them realize. Everyone tries but, sometimes we just can't help but to have a little accident some-way. As we are, nobody is actually really perfect.

Is there any other continent which has such careless people as our continent has? In my opinion, I don't believe there could be such a continent as ours. If you think there is one, then what on earth continent is it? Most likely there wouldn't or couldn't be one like this one, especially with the careless people we have living on it or should we even say that they are living? I don't think we could call them living, not if they would do such a dreadful act. How should we tell these careless people that they are in the wrong and we are in the right? We just can't come right out and tell them so. "Please Prevent Fires!"

To ensure a supply of future officers and instructors for its community squadrons, the Air Cadet League of Canada has provided full-time summer leadership courses for more than 3690 senior cadets.

Parkland Summer Notebook

The July swimming program is well under way, and plans are being worked out for August. There is still some room for more swimmers in our August program, and another registration day will be held. Look for more details next week.

We are still waiting to hear from anyone interested in taking Bronze Medallion or Red Cross Instructor courses. If interest is sufficient, we will offer these courses sometime in August. There will be good opportunities for part-time jobs for swim instructors in Parkland next year, so now is the time to get your qualifications.

The portable swimming pool in Entwistle is not yet in operation, but it should be running by August 1st. There will be a qualified staff conducting lessons there. The pool will be open for public swimming as well, and a schedule will be published soon.

All the day camp and playground staff have returned from playground school in Olds. The training, confidence and enthusiasm that the leaders received from the course is sure to upgrade our entire summer program. On July 8th, the training sessions

for the Day Camp Staff began at Chickakoo Lake. Experts in Day Camping from the Department of Youth, the City of Edmonton, and our own County, conducted the sessions for the four days.

Some of the specific things that will be programmed for the children attending Day Camps are: weather station construction and interpretation, various crafts such as pottery making from locally found clay, construction of plant libraries, aquariums, terrariums and ant observation nests.

Hikes will be an intricate part of the program with each hike having a different theme. An example would be a hike with a conservation theme where the children learn why a birch tree would die if its bark is removed. The construction of a lean-to, the construction of camp fires and camp cooking will also be introduced to the children.

Rainy weather will not be frowned upon by the Day Camp leaders because many things such as hikes in the rain, observing what happens to plants while its raining, and the scavenger hunts for dry items or dry fire wood can be conducted.

The Day Camp program can be geared to any age group from six to sixteen or any combination of age groups. Also any group or organization whose children do not attend playgrounds but still wish to make use of our Day Camp program are asked to make arrangements for this through the Recreation Office.

MAGNOLIA NEWS

The local ball team took part in the baseball tournament held at Wabamun on July 1. They played three games, winning two of them. The first game was against Darwell, which they lost by a score of Darwell 5, Magnolia 3. In the second game, with Onoway, our men scored 13, while Onoway got 6. The score for the third game was Magnolia 16, Calgary Power 8. The Magnolia team won the third prize. Well done!

Miss Judy Reich has secured employment with the Provincial Government in Edmonton. She commenced work the morning of Monday, July 7.

Betty Strangway had relatives visit for three days this past weekend. They were Bill and Florence Adams with their family, Marian, Monica, and Michael from Watford, Ontario.

A speedy recovery is wished to Mrs. H. Bek who recently underwent surgery in the Stony Plain Hospital.

Don and Connie Rose, who have been travelling in British Columbia have arrived home safely. They had a good trip but are glad to be home. Don has secured work at Whitecourt.

Mrs. S. Sutherland and her children spent a week visiting with the grandparents of the children in Saskatchewan during the first week of July. At that time, Mrs. Sutherland says it was still dry in Saskatchewan.

Mr. and Mrs. L. Saretsky enjoyed a two day visit from his sister and her family, who hail from Regina, Saskatchewan.

Sunday visitors with Mr. and Mrs. Arno Johnson were Mr. and Mrs. Morley Berger of Wetaskiwin. Also visiting for the summer holidays is Mr. Johnson's brother from Bashaw. On Monday, July 7, Larry Johnson attended the 4-H Achievement Day at Stony Plain and while there, he sold his 4-H calf.

Orris and Dorothy McWillis attended the wedding of their daughter Vivian, in Edmonton on Saturday, July 5. They tell me it was a lovely summer wedding.

Mr. and Mrs. W. Campbell and Shannon were among the three thousand people (approximately) who attended the Don Messer Show held in the Edmonton Gardens on the evening of Friday, July 4. It was a well-spent evening.

Ralph Roth and family of Port Alberni are visiting with relatives in Sangudo, Edmonton, this area, and other towns.

Visitors with Cecil and Marie June were Mr. and Mrs. Willoughby of Lloydminster. Mrs. Willoughby is a niece of Marie's. Also visiting were Marie's sister Eva and her family from Chet-

wynd, B.C.

Jim Anderson, a former resident of the community is now working at Whitehorse. Jim recently welcomed his wife Shirley and son Darcy to that northern community, when they travelled to Whitehorse to be with him.

Betty and Bob Assaf of Edmonton visited with the Mark Chechotko family on the evening of Sunday, July 6. They were returning to Edmonton from Jasper so they stopped in to say "hello".

Kevin, Marvin and Rodney Strangway accompanied their mother Betty to Stony Plain to attend the 4-H Achievement Day on July 7.

Irene Saretsky and Shannon Campbell, who spent a week at the Olds Agricultural College receiving training as playground leaders have returned to their respective homes. Now they are all set to supervise their playgrounds.

It is a pleasure to see former residents back visiting in the district. This past week, Allan and Brenda Walker had the pleasure of a weeks visit from Grace Anderson and her daughters, Bonnie and Julie, who now reside in Stony Plain. Welcome!

Recent visitors with Ray and Della Storm was Betty and Ed Watt with their three children Judy, Ricky and Allan. The Watt family make their home at Kathryn, Alberta.

"She always cries at weddings!"

Three New Courses Offered At Agricultural Schools

This fall Alberta's agricultural and vocational colleges at Olds, Vermilion and Fairview will be featuring three new courses that are not available anywhere else in Western Canada. They are agri-automation technology, livestock feeds technology and agricultural chemicals technology.

The agri-automation technology program is designed to help students plan materials handling systems for modern farms. It will include classroom, laboratory and field studies on planning, constructing and operating all types of agricultural materials handling systems, associated buildings and electrical power applications and control.

The main purpose of the agricultural chemicals technology course is to train personnel in in-

roducing, distributing and marketing agricultural chemicals as well as in regulatory and extension work. The course will cover the basic sciences, chemistry, plant and animal physiology, botany, mathematics, ecology and entomology.

The livestock feeds technology course is designed to train sales and service personnel for the livestock feeds industry. The program will cover livestock nutrition, feed analysis, ration formulation, and livestock management.

Applicants for these three courses must be at least 17 years old by the end of the first session and they must have at least 67 high school credits with not less than a "B" standing. Equivalent education and experience will also be accepted.

NOTICE OF DEBENTURE POLL

Edson-Stony Regional High School District No. 2

WHEREAS the Board of Trustees of the Edson-Stony Regional High School District No. 2 of the Province of Alberta on the 30th day of April, 1969, passed By-law No. 1969-2 to borrow the sum of One Million, Three Hundred and Fifty Thousand Dollars (\$1,350,000.00) on the security of the said District by the issue of debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than eight per centum per annum for the following purposes, namely:—

Construction of a masonry High School building at Evansburg to consist of: 8 general classrooms; Science Rooms; Language Laboratory; Library; Home Economics Room; Industrial Arts Room; Gymnasium; Merchandising Room; Typing Room; plus other necessary rooms sufficient to provide a functional educational unit. Site, sewage system and furniture and equipment.

And whereas a demand for a poll of the proprietary electors of the said District for and against the said by-law has been made as required by The School Act, 1955;

Therefore notice is hereby given by the Board of the said District that a poll for the purpose of taking the votes of the proprietary electors for and against the said by-law will be conducted on the 24th day of July, 1969, from 3:00 p.m. until 8:00 p.m., at the following places:

8:00 a.m. - 11:00 p.m.

If the current corn boom continues unchecked, Ontario will be producing about 137 million bushels by the mid 1970's. That compares to an average of 49.1 million bushels between the 1962-63 and 1966-67 crops. According to George Pearson, a Canada Department of Agriculture economist, this boom is causing marketing problems which could grow more serious if action is not taken. A corn marketing board could help solve corn marketing problems and maintain competitive pricing without resorting to restrictions on international trade, he says. The photo shows an Ontario corn-harvesting scene.

ALDER FLATS NEWS

The Girl Guides and their leaders managed to get away on Monday to their camp at Mulhurst after the rain finally stopped.

Get well wishes are extended to Norm Moore who is a patient in the Drayton hospital after an explosion at a well site. A vast number of stitches were required to close the deep gashes in his leg and arm.

Also get well wishes to Mr. Andrew Larson of Wetaskiwin who suffered a heart attack and is convalescing in a hospital there. I have been informed he is coming along well but will require a month's stay in the hospital.

Get well wishes to little Sheree Watcher who underwent surgery in an Edmonton hospital last week her mother spent several days in the city visiting her.

The Paul Simons visited the Al Omeing game farm on Thursday, and also with some relatives in Edmonton.

The George Maciborskys are driving a new truck.

The Richard Russels moved on Saturday to their farm.

A welcome sight down town is the oiling of the Alder Flats streets, although the rain has been doing a pretty good job of keeping the dust down.

Congratulations to Dwight and Rita Kellgren on the birth of a daughter, also to the proud grandparents, Mr. and Mrs. Albert Kellgren and Mr. and Mrs. Ma-jeau.

Mrs. Margie Hammond attended the R.E.A. convention at Red Deer recently also she and her children took in the Ponoka Stampede and visited the Sheridans while there.

Byron Larson is employed with Beaver Drilling Co. for the summer months, he will be en-

tering University for his first term in the fall. Donnie Maciborsky is also enrolled for university this fall.

Mrs. Orr of Rosalind spent several days at the Lawrence Hoflins recently. Marlene Orr is spending the summer months with them.

Mr. and Mrs. Tony Ruptash and family of Winnipeg are here for a week's holidays visiting the Bill Zekewski's. Tony is Mary's brother.

Eva Haggart and Doris Maciborsky went on a trip to B.C. with Eva's sister Merna and her husband.

Mr. and Mrs. Alex Vaas and family of Provost were visitors in the district and took in the Buck Lake stampede.

Congratulations to Alex Seely and David Sluchinski and the Mountain View Store on winning prizes at the Buck Lake Rodeo. I reckon everyone is nursing their sunburns after the beautiful hot day that was enjoyed for the stampede.

Mr. and Mrs. Bernard Johnson of Rimby had the Johnson brothers and their families over for a big turkey dinner on Sunday. Present were the Ron Johnsons of Red Deer, the Wilfred Johnsons of Kingman and the Harold Johnsons of Alder Flats.

Gerald and Dexter Johnson have spent over two weeks at the Covenant Bible Camp at Pigeon Lake. Sunday was the dedication service for the new site when the Honorable Harry Strom was present for the occasion and expressed his greetings along with Mr. E.P. Shaver, Director of Parks, and Rev. L.A. Quamstrom, President of the Evangelical Covenant Church of Canada.

There was a small attendance at the last community association meeting. Mr. Moore will be staying on as president. Mr. Danyluk was called on for a report concerning land for playground, he stated the County will purchase eight acres from Mr. Haggart and however many acres the Community Association wants to purchase in addition to this will be joined together and made into a sports and playground centre. The Association decided they would need up to four more acres to have sufficient grounds for the annual sports day races, etc.

The Lou Seelys had Darlenes father and mother and her sister and family visiting for several days.

Sympathy is extended from the community to the J. MacDonnells of Wetaskiwin and former residents of Alder Flats on the death of their son Ricky.

Mrs. Nora Maciborsky of Wetaskiwin brought Mrs. Vaas back home after they had been holidaying and picking fruit at the coast.

Paul Poudrier accompanied by Donnie Maciborsky left Friday on a trip to Pincher Creek and then on to the coast where they will visit with Eric Gnyp.

Passer-By: "Well, I see you're putting up a new building."
Workman: "Yes sir. That's the only kind we ever put up."

SEED CROPS, 1968

Canadian production of timothy seed has dropped substantially in recent years. Last year it was surpassed by creeping red fescue, a seed used in lawn grass mixtures, says the Canada De-

partment of Agriculture Plant Products Division's final seed crop report for 1968.

A declining export market caused by the imposition of seed restrictions by a number of European countries and lower prices have helped cause the reduction in timothy acreage.

Recreation Round-Up

by
Mike Gormley

SWIMMING

The swimming program at the Drayton Valley Swimming Pool is in full swing. With a maximum number of people taking swimming instructions at every level and with an attendance at public swimming which surpasses all previous records we are enjoying an excellent season to date.

The Red Cross Instruction program has been in progress for over a week now and to date has proved very satisfactory. The first examinations will be held this weekend and from there we will have a definite reading on the success of the program in these early stages. Of course not everyone will pass the test nor attain the honors to which they aspire on their first try anyway, but it is a safe bet that the passing average in this year's Red Cross program will be comparable to past years which were always most satisfactory.

One notable record was set at the local pool during the past week. On Wednesday, July 9th, a total of 1,096 swimmers were in the pool over the fifteen-hour operation period. This number surpasses the previous record set in 1963 by almost two hundred. This is one of the many indications that the Drayton Valley Swimming Pool is a busier place than ever before during this summer of 1969.

The water temperature in the pool has not been as constant so far this season as it was other years. The fact is that we have had problems with the filtering equipment and on occasion we have had to add considerable amounts of fresh water to the pool. Therefore, we may have that sharp overnight drop in pool

temperature, say from a balmy 80 degrees to a chilly 70 degrees. Every precaution is being taken by the pool staff to keep this filtration problem under control. We want, most of all, to keep our pool as a happy and healthy summer recreation facility, one that can be enjoyed and appreciated by all concerned.

HOCKEY CAMP

Applications are still rolling in for the Drayton Valley Summer Hockey Camp. The Camp will be held from August 25th through August 31st, with Clare Drake, of Golden Bear fame as Camp Director and Chief Instructor.

We need at least 100 boys registered for this camp if it is to be a success. From here it would seem that we will reach this figure since a very small number of Drayton Valley boys have registered to date and registration of out of town boys has been quite heavy over the past few weeks. We still have six weeks to go until the camp begins. All those interested in such a hockey school should get your registration in at an early date. This is a golden opportunity for all young hockey enthusiasts in Drayton Valley and District.

FIGURE SKATING

In all aspects, the Drayton Valley Summer Figure Skating School is progressing favorably. To date, with approximately one third of the school over, the entire operation has left little to be desired. The instruction is excellent, all phases of the school are skillfully handled and

to date the ice surface has been very good.

Remember there is public skating on weekends. Saturday 10 p.m. until mid-night and on Sunday from two to four o'clock in the afternoon and from 6:00 to 8:00 p.m. Admission is 50¢ per person or a summer season ticket for \$4.50 giving the holder the admission to all three Pop Concerts on Ice, held at the Civic Centre in late July and early August.

A RACE -- FIVE MILES

One of the attractions for the upcoming Evergreen Rodeo days, August 15th and 16th, will be the five mile foot race. The race will be run on August 16th, the second day of the rodeo, starting at 11:00 a.m. The starting point will be the red light in front of Macleod's Store. The race will progress along 50th street out past Sekura Auction Mart to highway 57 and around to the rodeo grounds finishing in front of the grandstands.

This should be quite a challenge to anyone interested in track and field. It will be an endurance test offering dual competition, (a) the runner against five miles of rugged going, (b) the runner against his fellow runners as to who will be first into the Rodeo Grounds at the West Valley Recreation Park. More about this as time goes on.

RODEO PROGRESS

The Rodeo Grounds in the West Valley Recreation Park are nearing completion. Here we will have an excellent facility for rodeo events as well as gymkhana presentations, thanks to the efforts of Dan Gregor and the members of the Drayton Valley Lions Club as well as any and all persons who were instrumental in the planning and construction of these grounds. This is another big step in the overall development of the Lions West Valley Recreation Park which has been developed into one of the finest parks of its kind in the province.

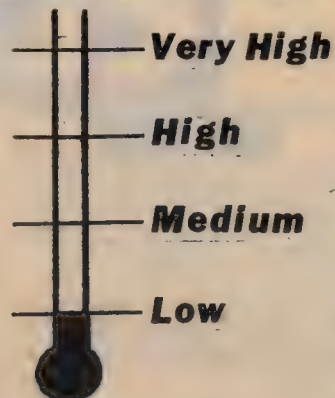

With the grounds nearly ready, the Rodeo Committee is finalizing plans for the first Evergreen Rodeo. The rodeo will be held on

August 15th and 16th with the events running each afternoon. Over and above the actual rodeo events, the show will start with a parade, there will be a pancake breakfast and many other activities connected with the two day western extravaganza.

SWIM MEETS

The annual go-around of swim meets in which the Neptune Swim Club competes will start next

Sunday in Devon. The following Saturday, the Neptune team hosts the meet here at the Drayton Valley Pool. From there on, until the later part of August there is a swim meet somewhere every weekend with the local team involved. The Neptunes gave a real good account of themselves last year at the various meets and we are looking forward to seeing them get out and really go this year.

COUNTY OF PARKLAND NO. 31

Alberta Hail Studies Weekly News Report

The unusual weather patterns in June which caused the wide extremes in weather also produced the least amount of hail in the Alberta Hail Studies area

since the project began in 1957. During the month of June only 100 hail reports were mailed in by farmers to the project headquarters at Penhold. These sur-

veys yielded another 50 reports, making a total of 150 reports for the month. This figure is only 16 percent of the twelve year average.

In sharp contrast July opened with the first major storms of the season. On Dominion Day the first storm formed in the foothills northwest of Calgary, and then moved down the Bow Valley from Cochrane to Calgary. Hail up to walnut size was reported just north of Cochrane and in places covered the ground to a depth of two to four inches.

Later in the afternoon an even more severe storm formed in the foothills southwest of Calgary and moved southeast. It laid a wide swath of hail all the way from Black Diamond to Picture Butte. A total of eight farmers between Black Diamond and Nanton reported hail golfball size and at one place it was larger.

Along with the widespread thunderstorm activity during early July, hailstorms were reported from many parts of the province. These storms were moving from the southeast towards the northwest, the complete reverse of the usual direction of motion.

Excellent radar records were obtained on two of these storms, and a telephone survey obtained a total of 150 hail reports enabling a very detailed picture of the hail pattern at the ground to be mapped out. The major storm on July 5th appeared to be from just north of Innisfail to Eckville, and in many places the ground was covered up to three inches,
